

## Parents' Letter from the Parents' Council

Dear Parents, dear Students,

We would like to introduce ourselves as the new Parents' Council of our school. We see ourselves as a link between parents, teachers, and school management. Our goal is to represent the interests of all parents and students and to promote cooperation within the school community.

Our responsibilities include, among other things:

- Participating in school decisions and projects,
- Supporting parents with school-related questions,
- Encouraging open and trusting communication between home and school.

We look forward to constructive cooperation and to shaping our children's school life positively together.

Please feel free to contact us with any concerns, questions, or suggestions—whether in person, by email, or through the school office.
